Letter of Recommendation

The Branch of Epson Middle East FZCO in the Republic of Kazakhstan hereby confirms its positive and successful experience of cooperation with PRESTIGE INCORPORATED LLC.

PRESTIGE INCORPORATED LLC is our long-standing supplier in Azerbaijan, with whom we have been cooperating for the past five years on various marketing, corporate and administrative projects.

During this period, the company has provided a wide range of full-cycle agency services, including the production of branded promotional merchandise, printing of marketing and information materials, translation and adaptation of brochures, production of signage, as well as organizational support for corporate events, conferences and other business activities.

Throughout our cooperation, PRESTIGE INCORPORATED LLC has demonstrated a high level of professionalism, reliability and responsiveness. The company's representatives have always been available, addressed all requests in a timely manner and provided efficient solutions tailored to our business needs. We also appreciate their ability to offer competitive and well-balanced commercial proposals, considering project requirements, quality standards and deadlines.

The branded merchandise, printed materials and other deliverables supplied by PRESTIGE INCORPORATED LLC have consistently met the agreed specifications and quality expectations. We have been satisfied with the quality of the services provided and have had no material complaints regarding the completed projects.

Based on our long-term cooperation and positive experience, the Branch of Epson Middle East FZCO in the Republic of Kazakhstan is pleased to recommend PRESTIGE INCORPORATED LLC as a reliable and professional supplier of marketing support services, branded merchandise, printing solutions and event organization services.

Sincerely,

Marketing Manager, Central Asia and Caucasus Region
